

9:00 a.m. to 1:00 p.m., every 2nd and 4th Saturday of the month.

Please adhere to the following guidelines regarding acceptable and unacceptable materials.

Plastics we can recycle:

Hard-sided (rigid) plastic containers including milk jugs, water bottles, laundry detergent jugs, coffee containers, yogurt cups, butter or margarine tubs.

To recycle these items: **wash clean, crush (if possible) before replacing cap.**

We cannot recycle:

TANGLERS – **anything stringy**, like hoses, tarps, tubing.

HAZARDOUS MATERIALS – anything that held hazardous liquids, powders or gasses (like motor oil or pesticide); medical waste including IV bags.

UNACCEPTABLE- electronics; anything larger than 2'x2' including kid's toys, pools, pipes, sheet plastic, six-pack rings, pool covers, tarps; **foam containers and packaging material; dirty or unwashed products** like plastic plates; plastic silverware, straws, clothing hangers; and non-rigid plastics such as toothpaste tubes or disposable plastic gloves.

Glass we can recycle: Clear and colored food or beverage glass- RINSED!

UNACCEPTABLE- dishes, light bulbs, mirrors, window panes, auto glass, Pyrex, bakeware.

Metals we can recycle:

Metal food and beverage cans, pans, pots, **empty** aerosol cans, aluminum foil, other clean metals such as license plates.

To recycle these items: **clean food from** inside can or foil, flatten (if possible), empty contents from aerosol cans.

We cannot recycle:

TANGLERS- anything stringy, like cables, chains, cords or wires.

HAZARDOUS MATERIALS- anything that held hazardous liquids, powders or gasses including propane and helium tanks; batteries; needles.

UNACCEPTABLE- scrap metal; lawnmower blades; automotive parts; furniture; building materials including siding and window/doorframes; dirty metal; aerosol cans with contents remaining inside.

Paper, paperboard and magazines we can recycle:

Papers, envelopes, paper bags, magazines, cereal & cracker boxes, phone books, soft cover books, newspapers, **paper** egg cartons, paper towel tubes & shredded paper in a **tied, clear** plastic bag.

To recycle these items: remove plastic liners and discard them (except for shredded paper). Shred only what is necessary and place in a clear plastic bag and tie shut.

We cannot recycle:

UNACCEPTABLE- paper that is laminated; photos/photographs/photography paper; sticker paper/stickers; gift wrap (wrapping paper) and tissue paper; paper that is dirty and/or greasy including napkins and paper plates; paper cups, hard cover books, spiral bound notebooks; 3-ring binders; thermal receipt paper.

A note about shredded paper; Shredded paper is very difficult to capture for recycling. Please shred only what is necessary and leave as much of the paper intact as possible so it is more likely to be recovered for recycling.

Corrugated Cardboard:

Take to LJ's at 10118 S. M-43, behind the Delton Florist Shop

Corrugated cardboard boxes from shipping, packaging and moving.

To recycle these items: **remove plastic straps, tape, and staples.** Flatten cardboard. **Remove all foam from inside boxes.** NO FOOD OR GREASE-STAINED cardboard!

Cartons we can recycle:

Creamer cartons, juice boxes and cartons, soy milk, almond milk, wine boxes, boxed water, soup and broth boxes, milk cartons and Tetra Pak cartons.

To recycle these items: **Rinse them out**, crush or flatten them, put the cap back on. Caps are now recyclable if they're attached to the container.

We cannot recycle:

HAZARDOUS MATERIALS- any cartons that held hazardous liquids, powders or gasses (like motor oil or pesticide)

UNACCEPTABLE- foam egg cartons, dirty or unrinsed cartons.
