2010 FISHING TOURNAMENT AND SPECIAL EVENT PERMIT AND RULES

January 1, 2010

Dear Event Organizer:

Please review the enclosed information. You will find a permit application, tournament rules and park use rules. Please share these rules with your group, to avoid delays at the site. Your group will need to know that **each park opens at 6 am every day, there is no admittance prior to that time.** Your group may find it helpful to assign a person to direct traffic flow at the water during launch and weigh-in. Parking is first come, first served; no parking spots may be reserved and there is no overnight parking.

Every vehicle entering the park is required to pay the park entrance fee. The fees for park use have changed at some sites, \$5.00 per vehicle at Upper and Lower Crooked Lakes, and at Center Street on Pine Lake. Gull Lake fees remain the same at \$7.00 for vehicle and trailer, \$5.00 for single vehicles. Yearly passes are \$75.00 and can be picked up at the Township Hall or visit the website, download and mail in your application. Yearly passes are valid at all four Prairieville boat launches. If you would like to purchase daily or yearly passes in advance for your group, please call: 269-623-2664 or 269-569-3956,

If your event is held at Gull Lake, be aware that there are 70 parking spots available for boat trailers and 20 spots for vehicles without trailers. Please ask participants with single vehicles to park in the small spots by the swim area. Weekend tournaments are requested to bring no more than 50 boats in consideration of other users.

Thank you for your time and efforts. If you have any comments or suggestions, please include them with your complete application.

If you would like written confirmation, please include a stamped, self-addressed envelope or your fax number with your application.

Sincerely,

Jennifer VanOverloop, Chairperson
Prairieville Township Parks & Recreation
